1) Subd. As stated by the Comptr, the services of the Carpenter does not qualify under Art. 244 M.S.R., as he did not hold a substantive office on a permanent Estt. Port Govt, as it may think fit in each case may allow temporary service to count for pension. The Arrack transport Estt could almost be called a quasi permanent one in that it has been in existence since 1926 (Vide Govt of 20.4.27). The work is carried on by Depot Agency under their orders. If the Administration Dept could say that the Estt will be placed on a permanent basis ultimately, the service will count under M.S.R. Art. 250.

2) However, as the service of the Estt which the Carpenter belongs to has been continuous, the recommendation may perhaps be sanctioned.

3) The Ex. states that the appt was abolished as a measure of Economy

B 1) The authority for this has to be made clear to bring the case within the meaning of Art. 242 M.S.

Financial Department, Bangalore.

Sir,

I have the honour to forward, herewith, the compensation gratuity papers of Cooper Andoni employed in the Arrack Transport Establishment of the Government Central Distillery, Bangalore, and to state as follows:-

2. Andoni was entertained as a Cooper on Rs.17/- with effect from 1st July 1924 when the Arrack Transport business was taken over by Government to be managed by the department (Vide Government Order No.Fl-7014-23/Ex.74-23-18 dated 23rd June 1924). As per Government Order No.Fl-8094-5/Ex.71-26-4 dated 20th April 1927 the Establishment although temporary, has been ordered to be continued until further orders. The services of this Cooper would have been continued in the usual course, but for the retrenchment effected in the Arrack Transport Establishment. The Comptroller, to whom the compensation gratuity papers of Andoni were sent, states in his letter No.152/Pen. dated 15th July 1932 (copy enclosed) that Andoni's service does not qualify under Article 248, M.S.R., as he held an appointment temporarily created and subsequently abolished, unless the grant of gratuity is specially sanctioned by Government.

3. As stated above, Cooper Andoni's services were terminated as a measure of effecting reduction in expenditure. As the Arrack Transport Establishment, although temporary, continues indefinitely, I request that Government may be pleased to treat the

With reference to your letter No.B1-977/31 dated 2nd June 1932 forwarding the pension papers of Andoni, late Railway Cooper, Arrack Transport Establishment, Government Central Distillery, Bangalore, I have the honour to return, herewith, the papers and to state that the applicant's service does not qualify under Article 248, M.S.R., as he held an appointment temporarily created and subsequently abolished. Kind reference is, however, invited to the latter portion of the above Article.
